

# TOWER COPIERS

## A Perfect 10!

Now available with up to **Ten** recorders! Microboards' affordable, professional-level CD/DVD copying system is easy-to-use and fully contained, operating without being connected to a computer.

### ·High Volume throughput - Ten Drives!

Solutions go up to 16 drives in a single system!

### ·Feature-rich controller technology

Advanced features include the ability to store disc images, change recording speeds, keep job counts, and perform audio track extraction. A two-line LCD display and simple two-button interface make accessing those features easy for even novice users.

### ·Two-year limited warranty

Includes unlimited phone support, easily surpassing the industry standard single year.
