### Disc Printing

Automatically print text and graphics on to your discs with the highest-quality inkjet or thermal disc printers on the market.

Microtech's own inkjet printer provides up to 4800 dpi print resolution with the sharpest photo-quality text and graphics imaginable. Our thermal transfer technology is fast and extremely economical and the print is both waterproof and indelible.

### Applications

Our duplication and publishing solutions can be found working around the clock in all of the following industries:

- Music
- Service Bureau
- Banking & Financial
- Software
- Government
- Video
- Gaming
- Medical
- Telecommunications
- Manufacturing

### Formats Supported

DVD Video and DVD-ROM, ISO 9660, HFS, mixed-mode, hybrid, audio (CD-DA), Video CD, CD-ROM/XA, Joliet, Romeo, Rockridge, UDF, CD-I, CD Plus, and CD+G (Karaoke) formats.

### Warranty, Service and Technical Support

All Xpress hardware is warranted for one year. Unaltered, defective hardware will be repaired or replaced. Our help desk has instant access to the complete history of your particular Microtech system and support needs.

Contact Microtech Sales for more information about on-site service, installation, training, replacement and extended warranties.
