

# SCRIBE PC PRINT STATION

DP-9002 PS  
DP-9004 PS

## **READY TO GO!! We Build In The PC For You**

The Scribe PC Print Station Series offers the most versatility and flexibility of any desktop on the market today. Simply add a Keyboard, Video Monitor and Mouse, and you are now ready to enjoy the full power of a Microsoft XP Pro® based system which can be accessed from any desktop PC with our exclusive license-free Scribe PC Network Client.

The Scribe PC Print Station can be configured with Inkjet or Thermal Printing. Disc capacity is from 250 to 600 discs.

The Scribe PC Professional Grade Print Station offers printing directly from a pdf® file

## **Additional Features**

- Enhanced Automation - Provides Optimal Performance with Minimal User Intervention
- Industrial Design - Features a Durable, Lightweight Aluminum Chassis and Aluminum Spindles
