

The MF Digital 5907VL is a high-performance value priced stand-alone CD / DVD copier. These duplication systems are perfect for heavy production runs, since there is no cooling period needed between runs. Beginners and advance users alike will find the system useful because of its speed, accuracy and reliability.

Advanced features of the 5907 Value Line DVD CD Copier Tower:

- Stand alone CD / DVD copier equipped with 7 NEC 16x DVD+/-RW Drives (CD at 48x)
- Supports DVD+R/RW, DVD-R/RW and DVD+DL DVD blank media formats as well as CD-R and CD-RW.
- Automatically performs a self-diagnostics test upon boot up
- No cool down period between runs
- Ability to set a password to restrict access
- Duplicator will automatically recognize format of source discs
- Hard disk drive allows you to store multiple masters
- Copy, Test, Verify, and Compare functions available
- Easy to use LCD display with keypad
- One year parts & labor warranty
